

# Account-to-Account Payments Button

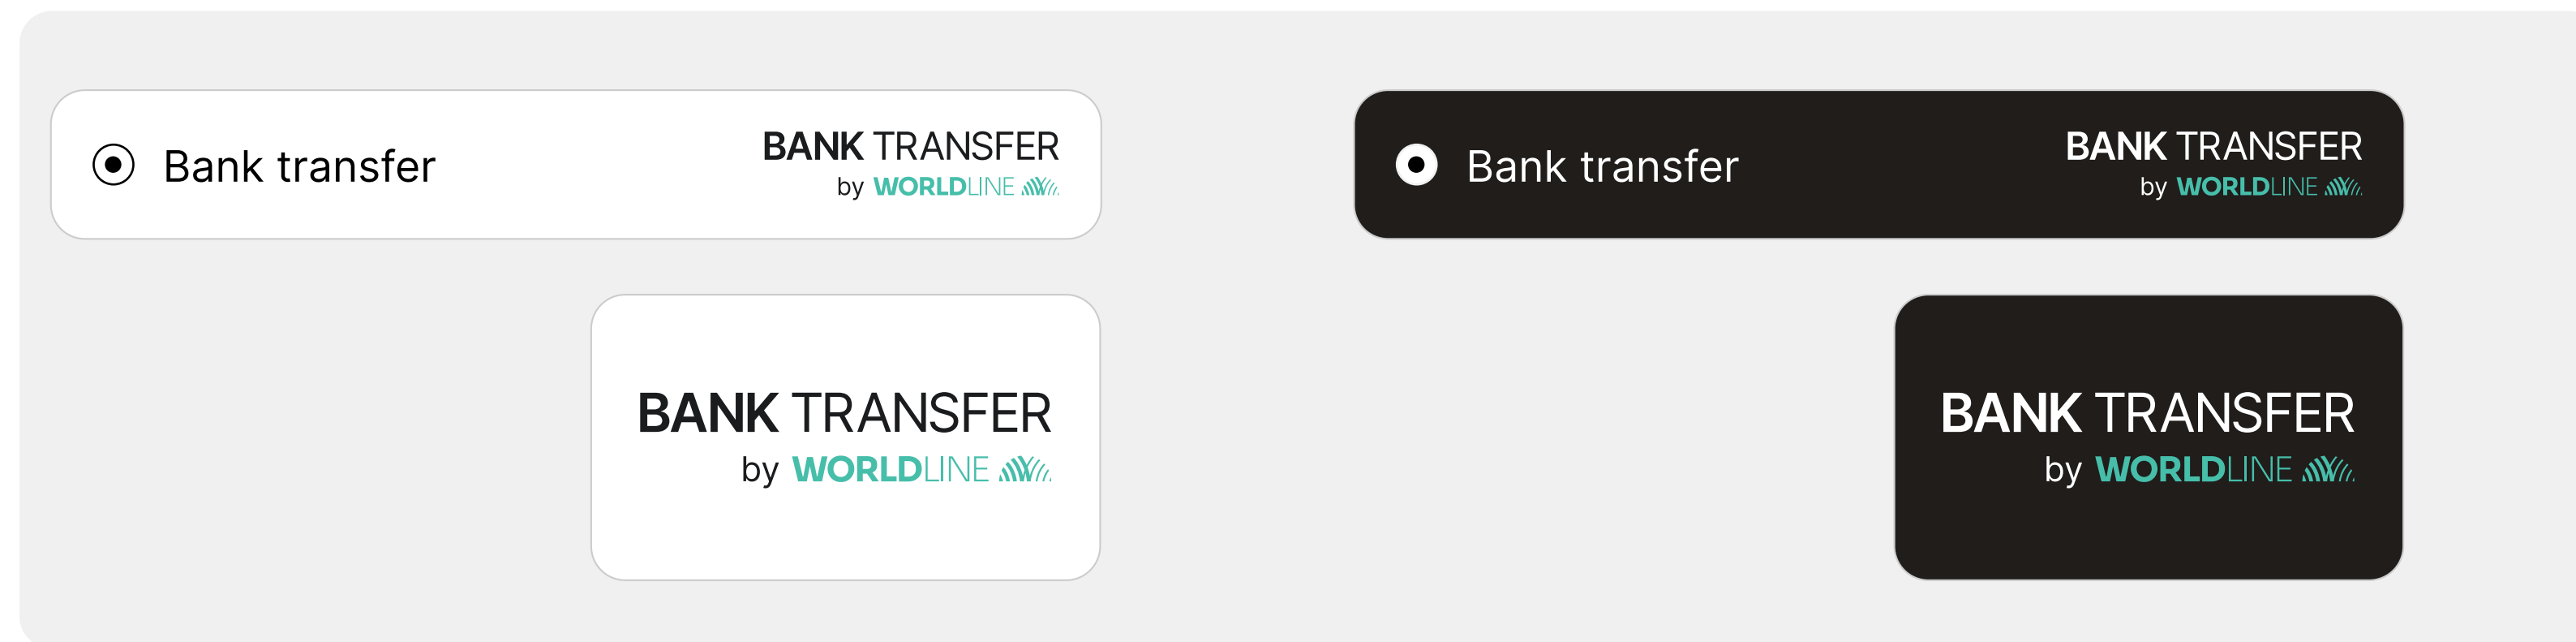

August 2023

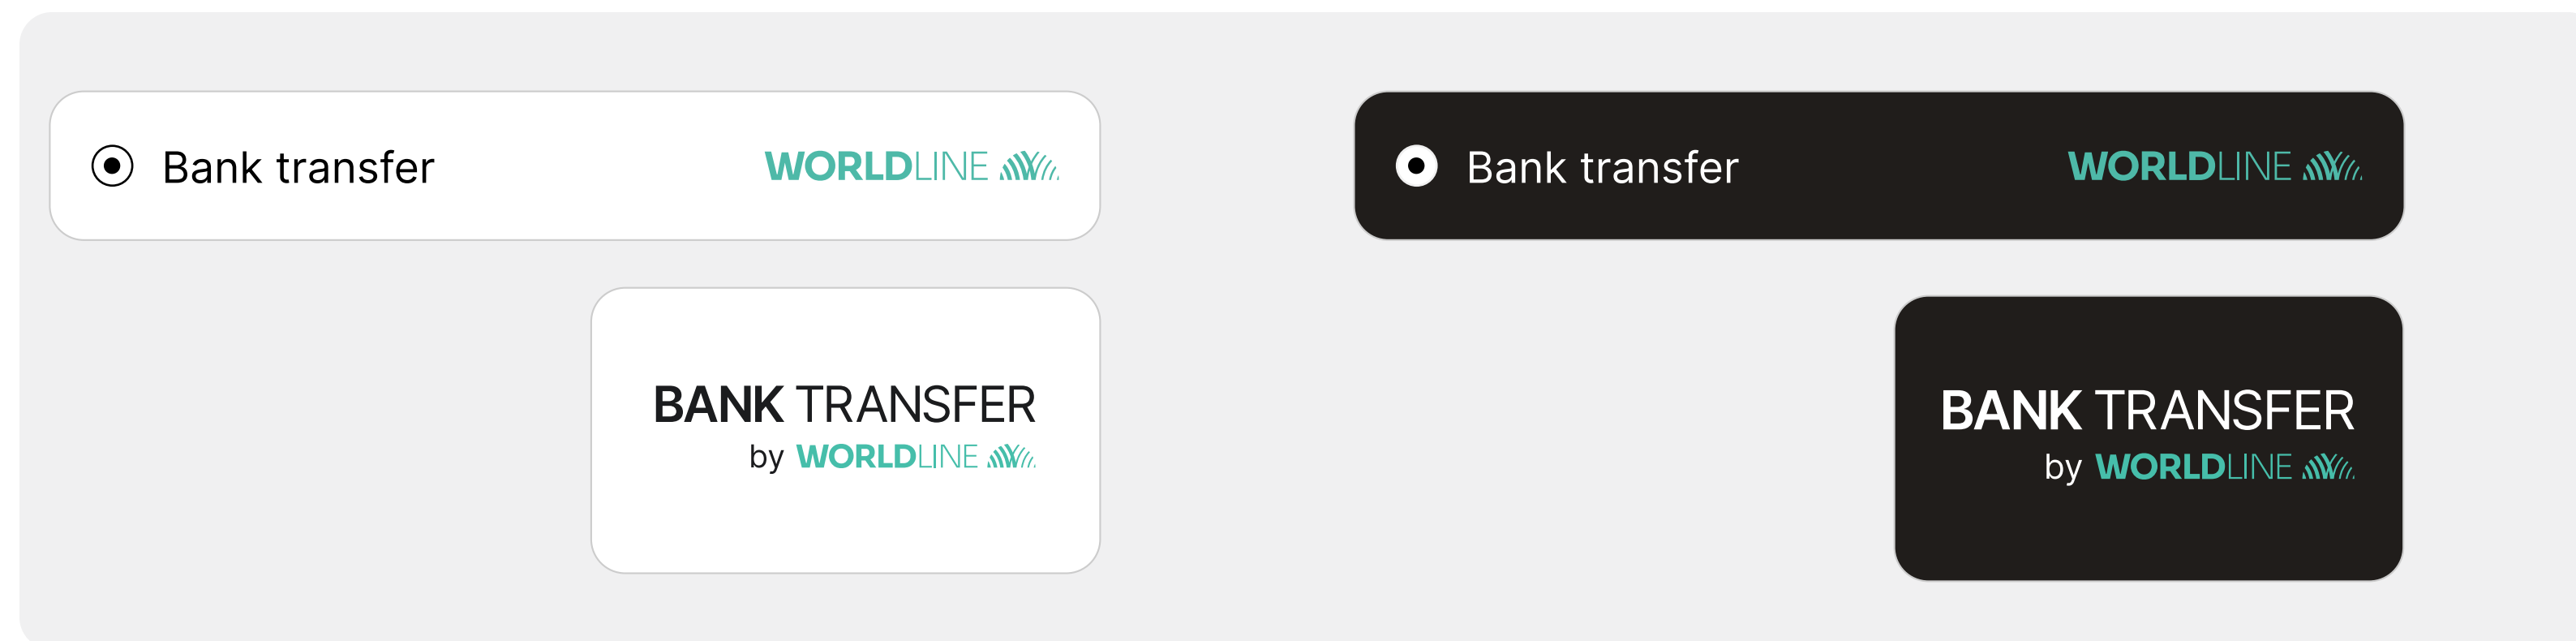

# Acceptance Mark

## Acceptance Mark.

### Button

### Button & horizontal logo

NB. The Worldline logo in this case is considered as an 'Acceptance Mark' as opposed to an item of marketing material; therefore we allow flexible rules around the minimum size and safe space around the logo in order to be both visually appealing and in-line with the overall design of a standard payment page with other acceptance marks such as Visa, Mastercard, etc.
