

mPRIME

PAYMENTS WHEREVER YOUR CUSTOMERS ARE

It doesn't matter if it's in the store or on the go: With mPRIME, your customers can pay securely and quickly via your smartphone or tablet.

mPRIME is the ideal entry-level solution for cashless payments in every industry. It turns your smartphone or tablet simply and effortlessly into a handy POS terminal. With mPRIME, you can accept all major credit and debit cards as well as mobile payment solutions and benefit from compact and practical processing.

The purchase price is recorded via your respective mobile device in the associated free mPRIME app. The transaction is conducted easily and simply using the card reader.

MAXIMUM FLEXIBILITY

With mPRIME, you are guaranteed a user-friendly mobile all-in-one payment solution:

- Easy initial setup in 5 steps
- Free mPRIME app (iOS/Android)
- Bluetooth connection to your mobile device
- Fast payment thanks to contactless function
- PCI PTS 4.x security standard
